

RESONANCIA MAGNÉTICA NUCLEAR DESDE HOSPITALIZACIÓN SIN SEDACIÓN

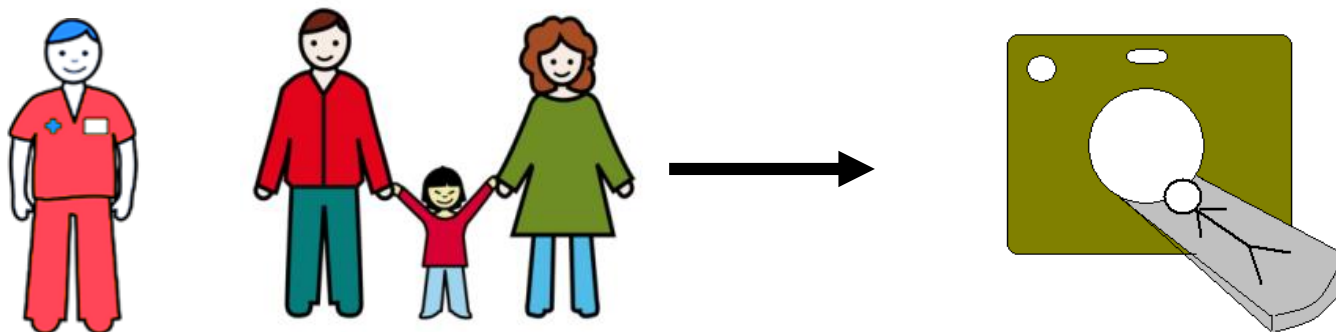

YO ESTOY EN LA HABITACIÓN DEL HOSPITAL CON MIS PAPÁS

EL CELADOR NOS LLEVA POR UN PASILLO HASTA RADIOLOGÍA

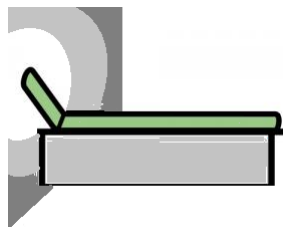

EL TÉCNICO NOS LLEVA A LA SALA DE RESONANCIA

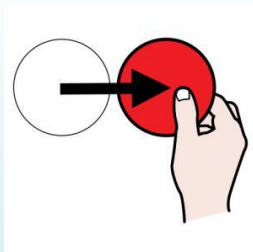

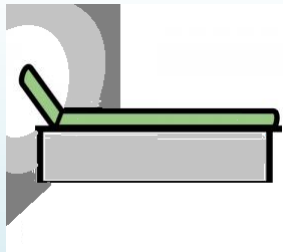

YO ME

TUMBO EN LA CAMILLA.

ESTOY QUIETO.

LA CAMILLA SE MUEVE Y HACE RUIDO

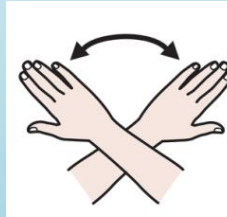

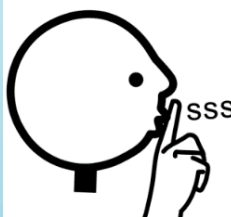

YO

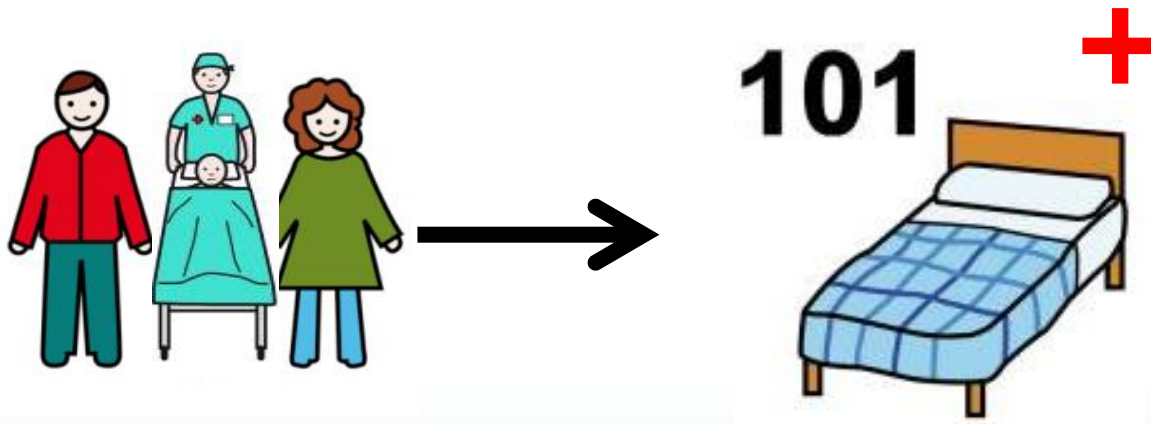

ESPERO

QUIETO Y EN SILENCIO

QUE ACABE

EL CELADOR NOS LLEVA A LA HABITACIÓN
